**PETITION FOR CERTIFICATE OF CORRECTION
TO CORRECT THE ASSIGNEE
PURSUANT TO 37 C.F.R. § 3.81(B)**

Mail Stop PETITIONS
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants respectfully submit a Petition for Certificate of Correction to Correct the Assignee Pursuant to 37 CFR 3.81(b) and request that the file be forwarded to the Certificate of Correction Branch, for issuance of a Certificate of Correction. Since the error sought to be corrected herein occurred as a result of Applicants inadvertent omission of both Assignees on the Issue Fee Transmittal Form PTOL-85B, filed on January 12, 2005, this Petition for a Certificate of Correction is made to include the identity of the omitted Assignee to the face of the patent.

Patent No. 6,860,778
Issued: March 1, 2005

Applicants respectfully request that the following correction be made:

Please add the name and address of the omitted Assignee as follows:

(73) Assignee: **Chi Mei Optoelectronics Corp., Tainan County,
Taiwan, R.O.C.**

Field (73) should now read as follows:

Assignee: **Chi Mei Optoelectronics Corp., Tainan County, Taiwan, R.O.C.**

and

Kyocera Corporation, Fushimi-Ku, Kyoto 612-8501, Japan

The name and address of Chi Mei Optoelectronics Corp., Tainan County, Taiwan, R.O.C., owner of 50% of the patent, were inadvertently omitted on the PTOL-85B, Part B – Fee(s) Transmittal form submitted on January 12, 2005.

The inventors, Chia-Tin Chung, Mao-Jung Chung, Yao-Hui Lee and Hung-Ru Guo originally assigned their rights to Application No. 09/815,641 to Chi Mei Optoelectronics Corp. on March 23, 2001, at Reel/Frame 011665/0834; and on June 22, 2004, Chi Mei Optoelectronics Corp., Assignee, assigned 50% of Application No. 10/656,099, (Divisional of Serial No. 09/815,641) now Patent No 6,860,778, to Kyocera Corporation.

As the Assignment and Patent Office records reflect, the proper Assignees are Chi Mei Optoelectronics Corp., Tainan County, Taiwan, R.O.C., as well as, Kyocera Corporation, Kyoto, Japan. This information was recorded on June 22, 2004 on Reel 014765, Frame 0926. Copies of both Assignments are enclosed.

Specifically, this Petition seeks to include the identity of the omitted Assignee and respectfully request issuance of a Certificate of Correction to U.S. Patent No. 6,860,778.

Patent No. 6,860,778
Issued: March 1, 2005

Correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination. A Certificate of Correction form (PTO/SB/44), in duplicate, is enclosed.

If the Petition is granted, Applicants kindly request that the file be forwarded to Certificates of Correction Branch for issuance of a Certificate of Correction,

Applicants had previously charged the fee, estimated to be \$100.00 and any deficiencies, to the undersigned attorney's Deposit Account No. 19-4709. Nevertheless, if an additional fee is required, the Commissioner is authorized to charge all fees now or hereafter due in connection with this or any other paper to Deposit Account No. 19-4709.

If there are any questions, please contact Applicants' attorney at the number listed below.

Respectfully submitted,

Matthew W. Siegal
